BEHIND THE CURTAIN

What can I say, but my heart is full!

The passion for the arts in Northeast Arkansas continues to shine with the introduction of The Stage Theater Co. The mission statement of The Stage says it all. "To create opportunities for community participation in enriching theatrical experiences. Our focus is on inclusion and quality in providing an outlet for creative involvement." The choice of *Newsies* as our first production only exemplifies that, with the backstory of brotherhood, comradery, and family. I am reminded of Crutchie's song lyrics, "*I'll be fine, good as new...tell all the fellows to protect one another.*" Emphasizing that no matter what occurs, whether in life, school, friends, or family...we protect one another and we will be good as new.

Starting this journey with The Stage Theater Co. had us focus on some of the most important things that we need just a little bit more of each day. I need to thank our Board of Directors and Advisory Board for their upmost support and trust in the mission and vision of our organization. To Kevin, thank you for again supporting one of my wild dreams, creating that vision and helping bring it to life. Banks, always remember to seize the day, no matter your age, location, or what is going on in life. Thanks to my parents for all the years of musicals growing up and attending each production. Benjy, once again, you helped me keep organized and ready for the next step in the process. To my Assistant Director Peyton, I am so proud of you for everything you have done in this role, and for your constant hard work and dedication to not only this production but to the organization. Sarah, your talents amaze me. You have taken this production to the next level with your abilities and talents. Thank you!

To the cast, you did it! What started six weeks ago as an open room of individuals from all walks of life, talents, and abilities—turned into a phenomenal story that is playing out on the stage. Thank you for your continued hard work and efforts every day.

Finally, I must thank all of our donors and sponsors. For without you, none of this would be possible. Thank you for your continued support for the arts, and for The Stage Theater Co. If you are looking for a place to plug in, let me encourage you to reach out to us, sign up for a monthly recurring donation, and get involved. The arts continue to change lives and enrich lives. We are going to continue to carry the banner for this cause, and I hope you will join us.

Grateful,
Abby Kuonen-Broadway
Executive Director
The Stage Theater Co.
